**Response to Amendment**

Re: Billing-Medel *et al.*

Date of priority: June 5, 1997

The Amendment filed December 4, 2003 in response to the Office Action of May 7, 2003 is acknowledged and has been entered.

Claims 7-10 and 13 were cancelled.

Claims 35-37 and 39-45 are currently under consideration.

**The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office Action.**

**Rejections Maintained:**

Claims 35-37, and 39-45 remain rejected under 35 U.S.C. 101 for the reasons of record in the Action mailed May 7, 2003.

Applicant's arguments (12/04/2003; pages 4-7) with regards to utility of the invention are substantially similar to those previously presented (02/10/2003; pages 6-9) and have not been found persuasive for the reasons of record. Thus, applicant's arguments have not been found persuasive and the rejection is maintained.

Art Unit: 1642

Claims 35-37, and 39-45 also remain rejected under 35 U.S.C. 112, first paragraph for the reasons of record. Specifically, since the claimed invention is not supported by either a specific asserted utility or a well established utility for the reasons set forth above, one skilled in the art clearly would not know how to use the claimed invention. Applicants reiterate their arguments as set forth in response to the utility rejection. Thus, for the reasons of record and for the reasons set forth above, applicant's arguments have not been found persuasive and the rejection is maintained.

**All other rejections and or objections are withdrawn in view of applicant's amendments and arguments there to.**

No claim is allowed.

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,

Art Unit: 1642
